Check this box if the organization had no charitable contributors who contributed more than \$1,000 during the year (But see General rule below)

Enter here the total gifts received during the year for a religious, charitable, etc., purpose **\$**

**Note** This form is generally not open to public inspection except for section 527 organizations.

**General Instructions**

**Purpose of Form**

Schedule B (Form 990 or 990-EZ) is used by organizations required to file Form 990, Return of Organization Exempt From Income Tax, or Form 990-EZ, Short Form Return of Organization Exempt From Income Tax, to provide the information regarding their contributors that is required for line 1d of Form 990 (or line 1 of Form 990-EZ)

Attach the Schedule B (Form 990 or 990-EZ) to Form 990 or 990-EZ. Attach Schedule B after Schedule A (Form 990 or 990-EZ), Organization Exempt Under Section 501(c)(3), if that return is required for the organization

**Who Must File Schedule B (Form 990 or 990-EZ)**

All organizations must file Schedule B (Form 990 or 990-EZ) unless they certify that they do not meet the filing requirements of Schedule B (Form 990 or 990-EZ) by checking the box in item L of the heading of their Form 990 or Form 990-EZ

See the instructions for item L in the Instructions for Form 990 and Form 990-EZ

**Caution** Schedule B (Form 990 or 990-EZ) is not a substitute for the list of "contributors" required for Part IV-A, Support Schedule of Schedule A (Form 990 or 990-EZ)

**Public Inspection**

Schedule B (Form 990 or 990-EZ) is

- Open to public inspection for a section 527 political organization
- Generally not open to public inspection for the other organizations that must file this form

If a non section 527 organization files a copy of Form 990, or Form 990-EZ, and attachments with any state, it should not include its Schedule B (Form 990 or 990-EZ) in the attachments for the state unless a schedule of contributors is specifically required by the state. States that do not require the information might make the schedule available for public inspection along with the rest of the Form 990 or Form 990-EZ

See the Instructions for Form 990 and Form 990-EZ for phone help and the public inspection rules for those forms and their attachments, which include Schedule B (Form 990 or 990-EZ)

**Contributors Required To Be Listed On Part I**

"Contributor" includes individuals, fiduciaries, partnerships, corporations, associations, trusts, and exempt organizations

**General rule** Unless the organization is covered by one of the special rules below, it must list on Part I every contributor who during the year, gave the organization directly or indirectly, money, securities, or any other type of property totaling \$5,000 or more for the year. Also complete Part II for a noncash contribution. In determining the \$5,000 amount, total all of the contributor's gifts of \$1,000 or more for the year

**Section 501(c)(3) organizations** For an organization described in section 501(c)(3) that meets the 33 1/3% support test of the Regulations under sections 509(a)(1)/170(b)(1)(A)(vi) (whether or not the organization is otherwise described in section 170(b)(1)(A))

List in Part I only those contributors whose contribution of \$5,000 or more is greater than 2% of the amount reported on line 1d of Form 990 (or line 1 of Form 990-EZ) (Regulations section 1.6033-2(a)(2)(iii)(a))

**Example** A section 501(c)(3) organization, of the type described above, reported \$700,000 in total contributions, gifts, grants, and similar amounts received on line 1d of its Form 990. The organization is only required to list in Parts I and II of its Schedule B (Form 990 or 990-EZ) each person who contributed more than the

greater of \$5,000 or \$14,000 (2% of \$700,000). Thus a contributor who gave a total of \$11,000 would not be reported in Parts I and II for this section 501(c)(3) organization. Even though the \$11,000 contribution to the organization exceeded \$5,000, it did not exceed \$14,000

**Section 501(c)(7), (8), or (10) organizations** For noncharitable contributions to one of these organizations, list in Part I contributors who gave \$5,000 or more as described in the General rule discussed above

If a section 501(c)(7), (8), or (10) organization received contributions or requests for use exclusively for religious, charitable, etc., purposes (sections 170(c)(4), 2055(a)(3), or 2522(a)(3))

List in Part I each contributor whose contributions total more than \$1,000 during the year that were for a religious, charitable, etc., purpose. To determine the \$1,000, aggregate all of a contributor's gifts for the year (regardless of amount). For a noncash contribution, complete Part II

All section 501(c)(7), (8), or (10) organizations that received any charitable contributions and listed any charitable contributors on Part I must also complete Part III

If section 501(c)(7), (8), or (10) organization received charitable gifts but is not required to list any charitable contributors on Part I, check the box on line A at the top of Schedule B (Form 990 or 990-EZ) and enter the amount of charitable contributions received in the space provided. The organization need not complete and attach Part III

**Specific Instructions**

**Note** You may duplicate Parts I, II, and III if more copies are needed. Number each page of each Part

**Part I** In column (a), identify the first contributor listed as no. 1 and the second contributor as no. 2, etc. Number consecutively. Show the contributor's name, address, aggregate contributions for the year, and the type of contribution (e.g., whether an individual, payroll, or noncash contribution). Report payroll contributions by listing the employer's name, address, and total amount given (unless an employee gave enough to be listed individually)

**Part II** In column (a), show the number that corresponds to the contributor's number in Part I. Describe the noncash contribution fully. Report on property with readily determinable market value (i.e., market quotations for securities) by listing its fair market value (FMV). For marketable securities registered and listed on a recognized securities exchange, measure market value by the average of the highest and lowest quoted selling prices (or the average between the bona fide bid and asked prices) on the contribution date. See Regulations section 20.2031-2 to determine the value of contributed stocks and bonds. When market value cannot be readily determined, use an appraised or estimated value. To determine the amount of a noncash contribution that is subject to an outstanding debt, subtract the debt from the property's fair market value

**Part III** Section 501(c)(7), (8), or (10) organizations that received contributions or requests for use exclusively for religious, charitable, etc., purposes, must complete Parts I through III for those persons whose gifts totaled more than \$1,000 during the year. Show also in the heading of Part III total gifts that were \$1,000 or less and were for a religious, charitable, etc., purpose. Complete this information only on the first Part III page

If an amount is set aside for a religious, charitable, etc., purpose, show in column (d) how the amount is held (e.g., whether it is mingled with amounts held for other purposes). If the organization transferred the gift to another organization, show the name and address of the transferee organization in column (e) and explain the relationship between the two organizations

Statement of Program Service Accomplishments

Africa

Central Africa Burundi, Democratic Republic of Congo, Rwanda ICG has operated a project in Central Africa since early 1998, focusing principally on the peace process in Burundi, the war in the Democratic Republic of Congo and justice issues in Rwanda. The project was significantly expanded in 2000, with the opening of a project office in Nairobi and the appointment of several additional full-time field analysts.

Zimbabwe ICG established a watching brief on the country in June 2000, with visiting analysts reporting. ICG papers have sought to analyze the causes of Zimbabwe's crisis and set out a strategy for change.

Algeria ICG's Algeria reports seek to disentangle and highlight the root causes of the conflict, and advocate practical policy solutions. Key issues include the need to fundamentally restructure and re-legitimize the Algerian state, open up the country's political process, bring the Islamists into the formal political arena and tackle the army's role in politics.

Asia Program

Indonesia ICG opened its office in Jakarta in 2000 and now has a staff of three full-time analysts. Research has focused on separatist conflicts in several provinces including Aceh, communal violence and the government's response in Kalimantan and Maluku, Presidential reform and the economic problems underlying so much of the violence in Indonesia. ICG has also provided detailed analysis of on-going political problems and has outlined the need for deep reforms of the military and judiciary.

Central Asia Since 2000, ICG has an office in the Kyrgyzstani city of Osh at the western end of the Ferghana Valley, a relatively densely populated region of 10 million people that is a particular area of concern regarding cross-border conflict and ethnic tensions. The project was set up to provide comprehensive situation analysis on a region that remains an unknown quantity in wider international policy making circles. Research has focused on the potential causes of conflicts including the internal political dynamics of these countries, Islamist militancy, drugs, the environment, and border demarcations. The project is also looking at religious and ethnic issues across the region.

Myanmar ICG's Myanmar Project aims to examine the policies of the State Peace and Development Council and the international response to military rule. It also seeks to highlight ways in which the international community may be able to reduce the risks of conflict involved in any political transition, focusing on ethnic conflicts, economic and political reforms and international support.

## Balkans Program

ICG's Balkans program presently spans projects in Albania, Bosnia, Kosovo, Macedonia, Montenegro and Serbia. A team of policy analysts is stationed in the region, with the overall Program Director based at ICG's headquarters in Brussels. Since beginning work in Bosnia in February 1996, ICG has built up a sound track record in the Balkans, being seen as an independent voice and source of influential new policy ideas.

The Balkans remains an area of critical strategic interest to Western governments and a potential flash point for further conflicts in the post-Milosevic era. The region's problems are complex, deeply rooted and unlikely to be resolved without sustained attention and involvement on the part of the international community. For these reasons, ICG will maintain a sizeable presence in the Balkans for the foreseeable future.

Within the region, ICG will continue to focus on the evolution of events in the individual entities, assessing their significance, inter-relationship and wider impact, but will also explore a number of thematic issues going to the structure and future stability of the whole region.
