Exhibit E

Statement of Foundation's Activities in 2007 With Respect to Properties Subject to the 1989 Closing Agreement as amended

As noted in prior reports, much of the property subject to the Closing Agreement was sold in 1999 with the remaining land sold in years prior to 2005.

There were no sales of any land subject to the Closing Agreement in 2007. MacArthur Holding A also continues to own a small amount of land in Parcel 13 that allegedly contains some contaminants which land is leased to the BallenIsles Country Club under a 25 year lease. MacArthur Holding A may “put” this property to the Club under certain circumstances.

The Foundation believes it has complied in all material respects with the requirements of the Closing Agreement.

It is the Foundation's policy that no further payments will be made to the grantees listed below until all outstanding reports are received. The Foundation has determined that for those grantees which are no longer in existence further action with respect to the grants would be futile. In other cases, the Foundation has made reasonable efforts to notify the grantees that they are in violation of the grant agreements and that grant funds are required to be returned to the Foundation. The Foundation has also made reasonable additional inquiries with respect to return of the grant funds and has been unable as of yet to secure such return. The Foundation has determined that legal action with respect to these grant funds would in all probability not result in the satisfaction of execution on a judgment, and that the expense of legal action would not be justified by the likely results.

**Move form 8868 (Rev 4-2007) 1076**
Attachment to Federal Form 8868

John D. and Catherine T. MacArthur Foundation, and its title-holding companies, files a consolidated Federal Form 990-PF. Due to the extensive amount of marketable securities, partnership investments, and real estate which needs to be valued for purposes of this return, additional time is required to file a complete and accurate return. In past years, this valuation process has resulted in the necessity of receiving an extension to August 15th of the following year. Accordingly, we respectively request an extension of time to file to August 15, 2008.

Please note that the following title-holding companies are included with this extension:
