Directors

Compensation Explanation

Directors are paid a $20,000 retainer per annum plus meeting fees of $1,000 per day for Board of Director meetings. The Chair is paid a $27,500 retainer. Differences in the amounts paid to Directors reflect meetings attended or additional income to Directors for companion travel. The minimum hours for Directors is based upon 4 board meetings, related committee meetings, travel and preparation time. In addition, the Directors are frequently consulted between meetings, asked to review and comment on prepared reports and papers, make on-site visits to national and international grantees related to grant making areas of the Foundation, and assist on other Foundation related matters. Broken down on a weekly basis, the minimum time is roughly 4 to 5 hours per week per director.

It is the Foundation's policy that no further payments will be made to the grantees listed below until all outstanding reports are received. The Foundation has determined that for those grantees which are no longer in existence further action with respect to the grants would be futile. In other cases, the Foundation has made reasonable efforts to notify the grantees that they are in violation of the grant agreements and that grant funds are required to be returned to the Foundation. The Foundation has also made reasonable additional inquiries with respect to return of the grant funds and has been unable as of yet to secure such return. The Foundation has determined that legal action with respect to these grant funds would in all probability not result in the satisfaction of execution on a judgment, and that the expense of legal action would not be justified by the likely results.

Expenditure responsibility statements are included in the Foundation's Forms 990-PF for the year of each grant and the three subsequent years. Recipient of Grantees are as follows: Central Asia and the Caucasus, Centre for Population Activities and Education for Development (CEPAED), Centro das Mulheres do Cabo, Coletivo Feminista Sexualidade e Saude, Coordinacion Regional de Mujeres de Organizaciones Civiles por un Milenio Feminista, Cunha - Coletivo Feminista, Family Health and Population Action Committee, Federacion Mexicana de Ginecologia y Obstetricia, Gender and Development Action (Limited by Guarantee), Grupo Transas do Corpo Acoes Educativas em Saude e Sexualidade, Human Rights Monitor, Nigeria (HRM), Hungarian Helsinki Committee, Institututo Brasileiro de Defesa do Consumidor, Lichtenstein Creative Media, Inc., Movement for the Survival of the Ogoni People (MOSOP), Movement for the Survival of the Ogoni People (MOSOP), Mujeres Indigenas en Lucha, A.C., National Commission on Energy Policy, Inc., NCO Foundation for Development of Social Responsibility (MITACOM), Niger Delta Wetlands Centre, Partnership for Quality Child Care NFP, Protsahan, Rede Nacional Feminista de Saude, Direitos Sexuais e Direitos Reprodutivos-Rede Feminista de Saude, Sakshi, Sistema Nacional de Promocion y Capacitacion en Salud Sexual, A.C., SOS Corpo Genero e Cidadania, SOS Corpo Genero e Cidadania, Stichting Internationaal Instituut vor Sociale Studies (Institute of Social Studies), Tanzania National Parks, Union de Comunidades Indigenas de la Zona Norte del Istom, A.C., University of Nottingham.

The amount on this line is larger than the amount filed on the 2007 Form 990-PF ($14,207,133) because twelve grantees did not meet their out of corpus requirement by the end of 2008 in the amount of $1,126,712 and other adjustments in the amount of $3,239,657. Accordingly, the 2007 carryover was adjusted to $16,320,078. (transferred to EF-2 for 2008)

The Foundation is a passive investor in several limited partnerships, many of which invest in other partnerships. The Foundation has been made aware that several of these limited partnerships have filed protective disclosures of certain investment transactions on Forms 8886. Although these transactions are not structured the same way as those contingent deferred transactions that are listed in IRS Notice 2002-35, and are not believed by the underlying investment fund manager to be substantially similar to those described in that Notice, the underlying investment funds have disclosed these transactions on a protective basis. The Foundation has no intention of entering into any listed transaction or reflecting on its tax return a reduction or elimination of its liability for applicable federal employment, excise, or unrelated business income taxes that is derived directly or indirectly from tax consequences or tax strategy described in the published guidance that lists any transaction. To the extent that it appears at any time that any such reduction or elimination may have been reflected, the Foundation will file an amended Form 990-PF or Form 990-T so as not to take advantage of any tax consequences or tax strategy described in the published guidance that lists the transaction. Accordingly, the Foundation was not a party to any prohibited tax shelter transaction.
